Gena:

Nu-Tek Steel has been approved as a certified supplier of Reinforcing Steel and Wire Mesh for the Ohio Dept of Transportation under the provisions of Supplement 1068. Your plant is authorized to supply material to ODOT projects. You will be contacted in the next few days with information allowing you to access the Virtual Warehouse.

Maintaining your status as a Certified Supplier is your responsibility, failure to comply with the provisions of the program can result in being removed from the list of approved suppliers.
